START UP INDIA CAMPAIGN

The Prime Minister's paradigm shifting and epoch making plan of "Start up India" programme has been held on its nationwide launching day on 16-1-2016 in the premises of the campus. All the students and staff have actively participated in the said programme with a lot of fanfare, vigor and enthusiasm. Start up India is an ambitious plan and pet project of the Honorable Prime Minister which aims at making the youth of the country to stand up on their own feet rather than depending on searching of the availability of the governmental-both Central and State governments-jobs and also of Private and Corporate Sectors. It envisages with the youth being the fulcrum of the plan. It encourages them to come up with innovative ideas in almost all sectors like Tourism, Agriculture, Science, Medicine, Technology, Food processing, Fashion-Designing, Management and Socio-Cultural fields etc. It supports them with some initial fund to start up their own schemes in a hassle-free way with minimum governmental interferences in according licenses and providing with a sense of guarantee and marketing. The entire process will be done through a Single-Window system. First time in the Indian history of governance, bureaucratic influence is totally cut off. It is indeed a significant shift I the paradigm as it not only propels India to compete with the World Leaders, but also perches it on the top along-side them.

The participants have shown very much interest in the new scheme of the Government and have taken a pledge to start making India into a Super Power and World leader. Gauging at their interest, one may harbor not an iota of doubt about the plan's penetration into the young minds to transform it into huge success.
