MOTTO

The Department strives to bring out the hidden virtues and potentials of its faculty and students from under the bushels and place them on mountain tops. Education imparted to the students is holistic in nature which looked after segments of student's personality. We give first priority to the transformation of the students through the development of their talents, especially their powers of communication, comprehension appreciation and technical skills. Without introducing values in our education, no development of mind and intellect which form the core of into useful citizens of our country with a developed matured heart and mind. With the cultivation of values, individual knowledge will turn into wisdom and man of wisdom will be valued in the society.

MISSION, VISION, AIMS & OBJECTIVES

MISSION

To establish the good of our country through the empowerment of students by developing their reading, comprehension, communication and technical skills.

VISION

We visualize a world of happy liberated and empowered students, family and society. Value based education morally disciplined personality development other oriented social awareness training are the means adopted for attaining this vision.

AIMS AND OBJECTIVES

- To enhance the students reading ability and to help their critical faculty.
- To develop effective powers of comprehension.
- To enable the students to communicate effectively and correctly.
- To acquaint the students with different genres of language and provide historical perspective of its evaluation.
- To initiate the students into some of the theories spanning the ancient and the modern, eastern and western.

- To develop technical skills of students by computer based learning and education. Update the students' knowledge with the new virtual outcomes.
- To bring physical awareness in students to maintain their physical fitness to create a better society and nation
- To encourage students participation in sports athlete and games events.

Our Illustrious Pioneers

Shri P.K.JOSE

We wish to place on record our profound gratitude to Shri. P.K. Jose who worked in this esteemed institution from 1979 to 1982 as a Malayalam Lecturer. As a faculty he proved himself appreciable, for he was always approachable and admirable. Whenever the students sought his help he had stooped to their level of understanding and carved a niche in the hearts of many by his distinct and ever praiseworthy means. As an individual, his earnest compassion, simplicity, depth of knowledge, integrity of character, philanthropic inclinations, and his abiding faith in humanity are adorable. As an artist and a creative writer, much can be said. Poetry comes to him as naturally as leaves to a tree. His poems are known for their excellent content, dexterity of language and felicity of expressions. Equally his thespian skills deserve to be highlighted.

Shri. K.L. SEBASTIAN

Some are born great, some achieve greatness and on some greatness is thrust upon. Shri. K.L. Sebastian, who was serving as a Selection Grade Lecturer from 1979 to 2005, stands for all these three observations made by Shakespeare, the great dramatist. It is said that the heights achieved by great men are not obtained by sudden flight. He has reached great heights because he distinguished himself from others by means of excellence and endeavors. He worked day in and day out for the welfare of this institution. His efforts brought glory and fame and what is remarkable about him is his continuous association with the college leading to optimum level of achievements. The most remarkable thing about him is he was an eminent teacher. We are blessed beyond measure to get ourselves guided and guarded by him.

Smt. K.U. JAYA

Smt. K.U. Jaya worked as Junior lecturer in History from 1979 to 1982 at Sanskrit College Pavaratty. She had an

immense role in the development of the Sanskrit college at Pavaratty in which she started her carrier. She performed as the Head of department of Modern Subjects from 2008 to 2011 in R.S.S.Deemed University Guruvayoor Campus. She had a magic touch in dealing with the students. As a teacher she had succeeded in instilling confidence in students being their guide and a good teacher. She had a special ability to take responsibilities and tackle them smoothly. She took much effort in perfecting her classes. Her serious approach even to simple matters had made her a reliable teacher of the department. Under her headship and guidance many departmental activities were conducted.

Smt. V.K.SUBAIDA

Smt. V.K. Subaida was the Jr. Lecturer in Hindi in Kendriya Sanskrit Vidyapeetha Puranattukara from 1979 to 2002. (In the year 2002 it became R.S.S. Deemed University, Guruvayoor Campus) and she continued in the same post

till 2012 . She was Calm and modest. Her success lies in the mastery of subject and the unique way she shares the knowledge to her students. Whatever tough be the subject, she could instill its spirits into the minds of children through her motherly care and affection. Throughout her career she maintained a noble nature. Her gentle and meek nature had always made her amiable and approachable both to staff and students.

PROF. K B Subbarayadu
