**DEPARTMENT OF SANSKRIT SAHITYA**

## A BRIEF HISTORY

From the very inception of erstwhile Sahityadeepika Sanskrit College, Pavaratty in 1909, the subject taught namely in the institution was Sanskrit Sahitya. In the year 1972 the institution got affiliated to Rashtriya Sanskrit Sansthan under Govt. of India. After few years in 1979 the institution was taken over by Govt. of India and the college became a Constituent Unit of Rashtriya Sanskrit Sansthan and named as Kendriya Sanskrit Vidyapeetham. Gradually several PG Departments have been started along with Sahitya Department. In 2002 the Govt. of India recognized Rashtriya Sanskrit Sansthan as a National Deemed University for Sanskrit. From the very beginning of the institution the Dept. of Sahitya was adorned by a galaxy of Sanskrit scholars and poets like Prof. P.C. Vasudevan Elayath, Prof. K.P. Narayana Pisharoti, Prof. E.R. Srikrishna Sharma, Prof. M.P. Sankunni Nair. Dr. S. Radha, Dr. Krishnacandra Chaturvedi, Dr. K. T. Madhavan, Dr.P. Indira, Dr. E.M. Rajan, Dr. K.P. Kesavan were the Heads of the Departments from the date of take over. Prof.

P.C. Muraleemadhavan, the present HOD has taken charge on 01/07/2013.

At present the Department is having one Professor, one Associate Professor and four Assistant Professors, Prof. K.P. Kesavan, the Professor of the Department has been deputed to Pavaratty Campus as in charge of the Kuriakose Smriti Bhavan. Dr. E.P. Sreedevi , Assistant Professor in the Department is also being deputed to Pavaratty Campus to handle teaching classes in Sanskrit Sahitya.

The Department conducts four courses namely Vidyavaridhi (Ph.D), Acharya( PG), Sastri (UG), Prak Sastri ( Pre-Degree). The total number of the students specializing Sanskrit Sahitya is 181 with current Academic year. The Department is proud to state that the results of various courses conducted during 2013 to 2017 holds Cent percent. The Department is fortunate to Champion the activities of the Students welfare council through merit achievements of brilliant students. The research activities of the Department is mainly governed and supported by the Academic deliberations organized in the Budhasangama in every month. The Senior Professores and Research guides use to deliver lectures for Doctoral students in their research topics in the Budhasangama Programme. The discussions generated in the said Programme throws light to most of the Research areas those are lie in oblivion. The teachers of the Department give regular lectures in

Research Methodology which enable the students to improve their caliber in doing Research.

We know very well the University Department is the centers for generating knowledge. For the said purpose the Departments are designed in a three tire system namely Post

Graduate studies, Research and Expansion. In all these tires the Department is vigilant to bring out desired results. Many of the students undergoing UG and PG courses in the Department have various extracurricular activities like Dance, inacting Drama, creative writing, sports etc. and they won several prestigious prizes at National level. The activities of the students in the society is also remarkable. Their activities in National Service Scheme and Swacch Bharat Mission are to be mentioned specially. Many of the senior students registered for Doctoral work and PG courses are handling Sanskrit preliminary classes for the uplift of the junior students under the project of the Department namely Samskritasetukaksha. The Department, raising their own funds used to regularly conduct serious Academic lectures under the scheme Smritivedika in which the contributions of the late lamented Sanskrit scholars of Kerala are being presented. In the activities of the Department, the seminars at National and International levels and extension lectures delivered by veteran scholars in the field are to be mentioned seriously. Scholars like Prof. George Cardona, Prof. Satyavrata Sastri, Prof. Ashok Aklujkar were delivered outstanding lectures on various topics which found light through publications later. The remarkable achievements obtained by the organizing international seminars on Melpattur Narayana Bhatta is to be mentioned peculiarly. The world renowned Sanskrit Scholar Prof. George Cardona – Abhinava Panini as usually called came to the Department to inaugurate the said Seminar. His inaugural speech on Vyakarana Pratibha of Melpattur has been published as a unique research paper.

Under the E-Text Project of Rashtriya Sanskrit Sansthan, the Department completed 15 texts including Bhasanatakacakra. In the present Academic year the Department got two additional Research projects namely Indian Hermeneutics and Sanskrit Textual Criticism and Mitakshara School in Indian Jurisprudence respectively investigated chiefly by Prof. P.C. Muraleemadhavan and Dr. K. Viswanathan.

The weekly seminars conducted by PG and Doctoral students gave a new momentum to the Academic endeavors of the Department. The proceedings of the

said seminar is being well documented in which the students play the major role of the chair, paper presenter, convenor etc.

Apart from the Research publications of the Academic staff, the proceedings of the Seminars conducted at National and International levels are being regularly published. 'The Poetry and Poetics Through Ages'- the proceedings of the National Seminar and 'Narayanasudhasara'- the proceedings of the International Seminar are the two major publications of the Department in the previous Academic year(2015-2016). The teaching and Research activities of the Department has also gone out of the country through the teachers of the Department. The topics like Natyasastra, Kutiyattam, Vedic Studies are being taught in Harvard University , Texas University, IOWA University etc. by the Head of the Department.

Uniqueness of the Department of Sahitya in the Guruvayoor Campus mainly lies on the teaching of Natyavargah as a major subject of specialization at PG level. Since Kerala is resourceful enough to conduct a Department like this. It should be brought to the notice of UGC, Govt. of India and the authorities of the University, that the facilities for performance, practical demonstration classes which include in the curricula should be provided at the earliest. It is to be noted that the specialization in Natyavarga with all its practical classes is being conducted only in Guruvayoor Campus of Rashtriya Sanskrit Sansthan.

The Research journal Tatvaneshini has been published by the Department for the first time in the previous Academic year. The second issue of the same is ready for publication. The teachers of the Department has taken up leadership of various Academic and extra curricular activities in the Campus regularly. The fine arts committee, the literary committee, guidance and counseling cell , women's cell, sports etc are being convened led by teachers of the Department.

The all rounded development of the Department of Sahitya is made possible through the collective efforts and clear vision of the teachers and students of the Department. As Scholars say we also feel that there are miles to go before sleep.
